How to play bingo

1. Give every player one card and a pen, or a handful of dried beans or candy corn as markers.
2. The caller cuts out the call slips, mixes them in a bowl, and reads them out one by one. Tick each word on the caller's sheet as it is read, so you can check a winning card.
3. Players mark the word if it is on their card. The turkey in the middle is free.
4. The first player with five in a row (across, down or corner to corner) shouts "BINGO!" and wins the round. For a longer game, play until someone has marked the whole card.
